QUESTIONS PURYEAR'S ELIGIBILITY FOR OFFICE

Formal complaint was filed with
George H. Preston, chairman of the
Henrico County Democratic Commit-
tee, yesterday by R. C. Garnett, pro-
testing the eligibility of James T. J.
Puryear, candidate for justice of the
peace from Tuckahoe District.
I shall ask Attorney-General Pol-
lard for his opinion on the issues in-
volved," said Mr. Preston yesterday.
"The matter in dispute involves the
construction placed on certain sections
of the law, and I do not want to
place the responsibility on any one,
and for this reason I will get the best
authority to investigate the matter.
As soon as I hear from the Attorney-
General I shall call a meeting of the
committee and the matter will be set-
tled."

It was said yesterday that it was
doubtful if the meeting would be held
for two or three weeks, as it is the
desire of the chairman to advise the
committee at this meeting of the re-
sult of his investigation of the peti-
tions filed by candidates, which he has
been checking up in order to see that
every petition is signed by fifty qual-
ified voters. The new primary law
requires fifty qualified voters, and in
event that any petition has not the
required number of voters the candi-
date will be disqualified.

Flower Mission Day.
This is the annual "Flower Mission
Day" of the Woman's Christian Tem-
perance Union. In the afternoon mem-
bers of the union will visit the State
Penitentiary, hold religious services
and give each prisoner a scriptural
text card and a block of ice cream.
Rev. John J. Wicker will speak to the
men, and Mrs. Helen Hewitt Green
will say a few words to the women.
The prisoners look forward to these
occasions with great interest.

STUART COMMENDS PLAN OF NEGRO EXPOSITION

Governor Issues Proclamation Calling
Attention to Celebration to Be Held
by Colored Race This Summer.

Governor Stuart yesterday issued the
following proclamation appertaining to
the negro exposition to be held here
next month:

June 12, 1915.

A national exposition, in commem-
oration of the achievements of the
negro race during fifty years, will be
held in Richmond July 5 to 27, 1915.
The occasion was recognized by Con-
gress through an appropriation of
\$55,000 to aid in its promotion and con-
summation. This sum is being ex-
pended, by the terms of the approp-
riation, under the direction of the
Governor of Virginia. The exposition
is under the auspices of the Negro
Historical and Industrial Association.

The people of Virginia and of the
nation desire to encourage the negro
in his efforts to solve his industrial
problem, and the National Negro Ex-
position is designed to demonstrate his
progress and to emphasize his oppor-
tunities. To this end the white peo-
ple of this State have given their cor-
dial support and encouragement to the
enterprise.

The friendly relation between the
white people and the negroes of Vir-
ginia is a source of gratification to
both races, and should be recognized
as an important asset in our civil,
political and industrial life. The

fidelity displayed by slaves during four
years of war, when they cultivated the
fields and produced the crops upon
which the Confederate soldiers sub-
sisted, and, above all, their unflinching
loyalty to the wives and children of
the men who were far away in battle
line, or in prison, or possibly in un-
known graves, form a chain which
links in enduring bonds of friendship
the best elements of both races.
It is probable that the President of
the United States will lend his pres-
ence, as he has already lent his in-
dorsement, to the occasion.
As Governor of Virginia, I bespeak
the active interest of the people of this
State and of the nation in the expo-
sition, and trust that every facility will
be extended to the leaders whose
earnest work has made the undertak-
ing possible.
H. C. STUART,
Governor of Virginia.
